Bringing foreign researchers and students

• Supporting senior visiting faculty, who may want to establish himself at Unicamp or to have part time research relations (Unicamp and Fapesp sponsors)

• Supporting young visiting researchers from all over the world to spend up to 2 years at Unicamp

• Taking part in federal programs offering scholarships to foreign students

• Taking part in associations which promote research and graduate student exchange (AUIP, AUGM)

• ‘Portuguese for foreigners’ courses
Internationalizing the University

(04/2009 – 04/2013)

Solidarity Graduate Programs with Brazilian and Latin American Institutions

- Inter-Institutional Graduate Programs
- MSC (Minter)
- PhD (Dinter)
- for Brazilian Universities to qualify Faculty (24% with PhD)
  (courses ‘in loco’ + theses supervision)
- 20 Programs currently
- New efforts: Peru, Colombia
Challenges and Remarks

• To articulate good quality research with good quality teaching

• To motivate the good researchers to teach

• Increase the international mobility of students and faculty (in both directions)

• Help to qualify other universities in Brazil, Latin America and other continents or countries

• Establish a strong international community within the campus
Muchas Gracias!!

Muito Obrigada!!

Thank you very much!!
